

MEET THE GAME CHANGER:

DYNAMIC EXTERIOR

Engineered for those who demand style as much as performance. With its striking new front grille and bold aerodynamic lines, this pick-up truck is not just a means of transportation—it's a statement on wheels. Outfitted with the latest air curtain technology, it cuts through the air as smoothly as it turns heads. And with those dynamic-looking 18-inch alloy wheels framed by stylish over fenders, every journey promises to be just as exciting as the destination.

UNMATCHED POWER & DURABILITY

Unleash the power of your pick-up, equipped with the robust 4JJ3-TCX 3.0L engine, capable to provide 190PS of maximum power and 450N-m of maximum torque. Coupled with its reliable 6-speed Transmission System, the new D-MAX is engineered for longevity and performance, ready to take you further on the road.

NEW EXCEPTIONAL OFF-ROAD CAPABILITIES

Armed with a new Differential Lock System and enhanced Traction Control System (TCS) with Rough Terrain Mode, the new Isuzu D-MAX is ready to conquer any challenge - perfect for the hardcore 4x4 enthusiast who refuses to compromise.

NEW HIGH-CLASS CABIN INTERIOR

SMART

DUO CAM

Step inside the future of comfort with the new Isuzu D-MAX-where technology meets luxury. The new 'Miura-Ori' pattern digital texture envelops you in a world of solid, clean design that's as emotional as it is innovative, giving every drive an advanced and high-class experience.

ADAS

5-STAR CUTTING-EDGE SAFETY SYSTEM

Surround yourself with safety from the all-encompassing 360-degree Around View Monitor (AVM) to its first-in-its-class Digital Video Recorder (DVR) integrated into the infotainment system, making every drive secure, giving its passenger and driver utmost peace of mind.

NEW INNOVATION & TECHNOLOGY

Stay connected and charged up while enjoying seamless integration on the go with wireless connectivity and charging. Plus, with the added convenience of a wireless charger your adventures are limitless. Ready to roll whenever you are.

New Advanced Driver Assist System (ADAS) with Gen4 SMART DUO CAM camera system, now with even broader horizontal and side field-of-view and superior accident-avoidance capabilities.
